Medico-Legal Training

November 2020: Inspire MediLaw 2 day Expert Medical Witness Course which provides intensive training from leading medicolegal experts and lawyers on litigation processes, report writing, working with lawyers and other experts and giving evidence in Court.

I have provided 12 medical reports in the past year.

Medico-legal Expertise

I accept instructions to provide my expert opinion in personal injury, clinical negligence, GMC and IMC Fitness to Practice and any other matters where the issues are within my specialism generally. If you are uncertain as to whether your case falls within my area of expertise, please do contact me.

I have particular interest in the following areas:

Cervical Cancer

Ovarian Cancer

Endometrial Cancer

Vulval Cancer

Cervical screening

Management of cervical intraepithelial neoplasia (CIN)

Management of Vulval intraepithelial neoplasia (VIN) and multifocal intraepithelial neoplasia (Mufin).

Menorrhagia/Dysfunctional Uterine Bleeding

Management of fibroids

Laparoscopic surgery

Benign ovarian cysts

Publications:

I have written over 40 peer reviewed papers and am the editor of a popular undergraduate textbook in gynaecology. For a full list of my publications, please just ask or visit my website.
